

## Supervising trainees of programs targeted by the CNFS

**It is a unique occasion** to transmit your passion, your knowledge, and your experience!

**You could also...**

Develop your  
teaching,  
assessment, and  
planning skills

Improve your  
interpersonal and  
thinking skills

Discover new  
practices and  
discuss them

Expand your  
French-language  
service offering

Access to  
recognition  
programs, including  
the Prix national  
CNFS de la  
supervision de  
stage

Take advantage of  
benefits offered by  
certain educational  
institutions  
(continuing  
education, etc.)

Raise your notoriety  
through recognition  
of your expertise

Help build the  
reputation of your  
departement and  
your establishment

Offer your  
employers the  
opportunity to  
recruit healthcare  
personnel

**Join hundreds of supervisors who help students  
grow and learn.**
